

Handprint Art

Ingredients & Method

500g plain flour

250g salt

250 ml water

Mix into a dough

Roll out then press handprints

Bake in oven on lowest temp for 3-4 hours

Paint then varnish to seal 🍯

More finished examples on next page!

Get creative with the colours and designs you use after.

You could incorporate patterns or a 'theme' using the paint.

You could link it to 'Active Home School' week by designing new sport-gloves on your handprints using different styles!

Your imagination & creativity will come with with many more ideas!!

Themes:- School colours, club colours, county colours, summer colours etc

We look forward to seeing all your handprints!

Enjoy!!
