Art: Movies

- Observe the film posters below.
- Look carefully at the **images** (photos/animations) and use of **colour.**
- The **composition** – how the different elements are arranged.
- Read the **text** (film title and other information). Look at different **fonts** used.
- **Design your own movie poster**. It might be for your favourite film, a movie adaptation of your favourite book or even a film that you would like to direct some day! Think about **colour, text** and **composition.**
