

Soundtracks for movies

Music in film serves several functions. Among them, it helps shape emotional responses, creates a rhythm to scenes and segments, and comments on the action. Music is often crucial to the experience of a scene and, in some cases, becomes as iconic as the movies themselves.

Activity

1. Below is a link to a soundtrack quiz. You have to guess the movie from the soundtrack in 18 seconds before the movie name is revealed. This is a lovely activity to do with your family as there are a couple of films that are before your time. Enjoy
