

Art Lesson: Space

Aim: To make a picture based on space, aliens, space-crafts, planets etc

Materials:

Paper, cardboard, recycled materials, tinfoil, plastic, markers, crayons, paints, glue

Brainstorm your idea first.

Plan what materials you will need and gather them.

Organise the picture before you start as there will be overlapping.

The items can come over the side of the picture

Example below:-

We look forward to seeing your creations!!!
